

# **BEGINNING SEPTEMBER 8TH**

The rock road on the south side of the football field will not be accessible.  
Please give precedence to our buses and give them room.

## **ELEMENTARY PARENT PICK-UP - NEW PROCEDURES!**

Parent pick-ups will exit through the east door. They will be seated on the South side of the door until a teacher dismisses them.

Teachers will send students to the parent's vehicle as they drive through the pick-up line.

If you park and want to walk your child to the car, please wait in your car until all cars have moved through the pickup line and all busses have left.

### 1. Parent Pick Up Procedures

- a. Students should get in the passenger side doors, not the driver's side.
- b. Please pull ahead and park to buckle your child in their carseat at the red & blue handicap/fire zone. Please do not get out of your vehicle until you are in the red & blue zone. This will help to keep the line moving smoothly.
- c. If your child is not at the parent pick up door, you must drive back around to the end of the line or park. You will be directed by the line teacher.
- d. Students will **not** be sent to vehicles parked in the parking lot. You may pick up your child from the parent pick up area and walk them back to your vehicle **AFTER** all cars have moved through the pickup line and all route busses have left for country routes.
- e. All students walking to the football field, home, cafeteria, etc. must wait in their classroom until walkers are released. Walkers should never come to the parent pick up line.
- f. If you arrive after the pick up line is complete, you must come to the office to pick up your child.

## **HIGH SCHOOL PARENT PICK-UP - NEW PROCEDURES!**

Parents who are picking up their child will need to park in a regular parking spot until 3:33.

These rules are to ensure your child's safety as well as your own. We appreciate your support.
